

CHINA HOLINESS COLLEGE

History of CHC

China Holiness College, formerly a primary school, was established by China Holiness Church in Sham Shui Po in 1957. China Holiness College started to provide secondary education in 1976 based upon Christian values. It has been changed to a direct subsidy school in 1998.

Our Mission

- 1) Based on the teaching of the Bible, we provide whole-person education to help students grow intellectually, morally and spiritually.
- 2) We help students understand the Christian faith and love through the practice and sharing of teachers.
- 3) We value the uniqueness of each student created in God's image through developing their own potentials, independent mind and character.
- 4) We cultivate students with responsibility, rationality and affection so as to contribute actively to the society and the nation.

Principal's Word

China Holiness College is a caring, supportive and encouraging environment for teachers and students to learn and grow. We value the uniqueness of each individual created in God's image and therefore worthy of understanding and respect. We commit to nurturing students with Christian faith, hope and love. We also create fun and challenging education experiences for students to learn in the classroom or real life contexts. We strive to develop students' life-long habits so that they will keep on their learning throughout their lives. We invite parents to support and collaborate with our school team to develop the full potentials of their children.

Our Principal

Ms Lydia Mei-kuen Tso

Educational Psychologist

| Liberal Studies | Visual Arts | Information & Communication Technology | |

Our Professional Team

| Teacher Qualification: | Percentage |
|------------------------|------------|
| Master Degree | 42% |
| Degree | 58% |

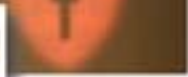

Religious Education

Train a child in the way he should go, and when he is old he will not turn from it. (Proverbs 22:6)

Each and every student is unique and loved by God. We respect each of them and help them develop their potential to its fullness.

Through whole-person education in moral, intellectual, physical, social, aesthetic and spiritual aspects, every student will model on Jesus Christ, to **"grow in wisdom and stature, and in favor with God and men."** (Luke 2:52) Students are taught by word and deed, just as what Jesus Christ did to his disciples.

在這今天，安慰滿心學，
無盡過犯已洗清，
主恩厚愛，令我心中歡，
福音聖靈變換新。

Religious Activities

Religious morning assemblies, religious assemblies, Christian Fellowship on Fridays, Gospel Week, Gospel Camp, Spiritual Revival Camp, Teachers' cell groups, Students' cell groups, Bible Study Group, etc.

Diversified Activities for Whole-Person Development

The school offers numerous posts and leadership training courses for student leaders to hone their leadership skills and to serve their fellow schoolmates and society.

Home-School Cooperation

Parent-Teacher Association is well-established in CHC and parents participate actively in a variety of school activities. They collaborate with our teachers to help students learn and grow.
